# Heritage

Born from a love of camping and outdoor living, coupled with a desire to always create and innovate, Campingaz® products are instinctive and inspired, simple yet clever solutions based on over 70 years of expertise.

Campingaz® stands for safe and reliable products that are made to stay with you. Be a part of our family!

# It's the simple things that count...

Often simple thoughts spark big ideas; in 1949, when a young man embarked on a camping holiday with his family, he could never have anticipated that his thoughts that day would change the way in which people camped for generations to come.

Frustrated by the alternatives available, he set about creating a revolutionary refillable cylinder; compact and convenient, economic and easy to use. The Campingaz® brand was born...and life outdoors was liberated.

From the beach to the campsite, or from the garden to the hills, Campingaz® innovations have changed the blueprint for outdoor cooking and adventure, each decade introducing revolutionary innovations.

With over 70 years as a leader in outdoor gas and gas appliances and 30 years experience as the Outdoor Cooking Expert®, Campingaz has created reliable products that also form lasting memories.

# *The simple pleasures are the best.*

**The flavour of food cooked outdoors. The warm glow of evenings by lantern light. These are the moments, the memories and the feelings that inspire us at Campingaz<sup>®</sup>, and have done for over 70 years.**

Since 1949 we've enhanced people's experience of the outdoors, becoming part of their life. We continue to innovate and inspire our versatile products that suit all your outdoor needs or wherever your adventurous spirit takes you. All our products are designed with one aim in mind: to make outdoor freedom accessible to everyone.

Today we still believe in that combination of practicality and inspiration – whether in your own back garden, on a beach or camping far from home. We continue to innovate because we know there are always smarter ways to do things, but we retain the classic solutions you know and love.

Plancha cooking for utmost versatility in food preparation outdoors.

Plancha Blue Flame LX

Plancha Blue Flame L

A blurred background image showing a group of people sitting at a table in a restaurant or dining room at night. The scene is lit with warm, glowing candles, creating a cozy and intimate atmosphere. The focus is on the foreground, where the text is overlaid, while the background shows people and more candles out of focus.

## MASTER SERIES

Campingaz® presents its Master Series, a high-end line comprising of seven models that bring together robust materials and exclusive features in one modern design. This barbecue series is for gourmet aficionados who wish to have the same cooking luxuries from indoor to the outdoors.

The most sophisticated technologies, such as Even Temp® Technology, the Campingaz® Culinary Modularity to cook and bake various styles of dishes, or the practical InstaStart® ignition system with individual backlit controls are all integrated in the Campingaz® Master Series. You'll enjoy the freedom of cooking all year round, confident that you will have the ultimate barbecue performance at your fingertips.

The improved InstaClean® System's new treatment protects the removable barbecue surfaces for effortless, dishwasher-safe cleaning after use.

# CAMPINGAZ® CULINARY MODULARS

**Versatile cooking and grilling options** are quick and convenient with Campingaz® Culinary Modulares

## Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

Simply take out the inner ring of the cast iron modular, or remove / reverse the adjacent griddle and insert one of the various Campingaz® Culinary Modular Barbecue Accessories. (items sold separately)

The Campingaz® Culinary Modulares offer every option your gourmet barbecue heart desires.

**Cast Iron Culinary Modular Grid included on the following models: all Master Series BBQs, all 4 Series RBS®, all 3 Series RBS® except 3 Series RBS® LB, all 3 and 4 Series EXS, all 3 and 4 Series LX, LXS, L Plus and LS Plus models, 2 Series RBS® LX/LXS**

**Cast Iron Culinary Modular Grid available as an upgrade and replacement for all 3 and 4 Series models, Master Series BBQs and 2 Series RBS®**

## MASTER SERIES BARBECUE FEATURES

---

### Campingaz® Searing Boost Station (SBS)

#### SEARING BOOST STATION

The Campingaz® Searing Boost Station (SBS) delivers the intense heat that is needed to sear steaks in seconds with beautifully charred stripes, giving that authentic steakhouse flavour without the risk of overcooking the meat. Searing meat is 100% about building flavour. When the meat hits the scorching hot grill, the surface instantly begins caramelizing to enhance flavours dramatically.

Thanks to the Searing Boost Station, the enamelled cast iron grid absorbs the extreme heat allowing you to beautifully brand the meat, producing those classic, barbecued stripes. Impress your guests with the new Searing Boost Station without compromising on taste and texture. The Searing Boost Station is exclusively featured on the Master 3 and Master 4 Classic Series!

### Unique & Improved Campingaz InstaClean® System

All Master Series have a unique and improved Campingaz InstaClean® System. The new Master Series collection features a Campingaz InstaClean® firebox which has a special surface treatment to make cleaning your barbecue even easier. The coating on all InstaClean® parts reduces the amount of grease and burnt particles from sticking to the grill. Easily brush them away before placing them in the dishwasher for a final clean.

## 10 Year Extended Warranty

The powerful Campingaz® Master Series Barbecues have been designed with you in mind. The double wall lid not only improves the cooking performance, but is also backed by a 10 year warranty. Campingaz® stands by their Master Series barbecues and planchas to ensure long years of use and guarantees 10 years on all Master Series burners. All Campingaz® Master Series grid and griddles have a 5 year guarantee for performance season after season.

# NEW BARBECUE SERIES

Cook up a feast for family and friends with our brand new barbecues. Featuring efficient and high-performance stainless steel burners with our efficient Blue Flame Power System that ensures significantly less flare ups by design and keeps your food nice and juicy. Together with a large, enamelled cooking surface these barbecues are perfect for preparing a wide range of al fresco meals. The included Campingaz® Culinary Modular System provides keen grillers with even greater cooking versatility. Cleaning is quick and hassle-free thanks to the brand new Campingaz InstaClean® Aqua System. Our newest addition to the Campingaz® Barbecue range make for the perfect companion: Either for hungry families as a 4 Burner or for everyone who loves high quality barbecue as a space efficient 3 Burner.

## **BBQ cleaning revolution: Campingaz InstaClean® Aqua**

We love to grill – but cleaning is always a pain. Good news: Our Campingaz® InstaClean system just got even better.

Integrated in the new 2021 Series barbecues, the clever and effortless Campingaz® InstaClean Aqua technology harnesses the power of water to make cleaning a piece of cake.

Water is filled into the front-loading grease drawers, preventing all residual grease and food waste, from baking into the material. Similarly, the small amount of resulting evaporation during your grilling session, also works as a grease repellent, preventing grease and grime from burning into the firebox materials. When it's time to clean, thanks to this clever system, you can remove the greasy grill parts and simply wash them off. No scrubbing required!

The waste water in the grease drawer can simply be drained by removing a plug. Premium and Onyx models come fitted with a waste water container including a removable filter to separate dense grease, making waste water disposal even more convenient.

Quick, effortless and squeaky clean!

## **Versatile cooking and grilling options are quick and convenient with Campingaz® Culinary Modularity**

### **Easy assembly**

All our new barbecues come with preassembled control panels that include the burner system. This makes for an uncomplicated and quick setup of your new barbecue. Simply take the control panel with the already attached burner system, put it into place and you are done. It's that easy. No need to connect any wires or gas pipes. Let the grilling begin!

TE

## BLUE FLAME BURNER SYSTEM

---

**A classic just got better!**  
Redesigned for even better heat distribution!

Campingaz Blue Flame stainless steel burners in the New Series Range have a 5 year warranty

### Durable, powerful and efficient burners for the perfect sizzle!

The new Series Range of backyard barbecues now come fitted with the iconic Campingaz® Blue Flame burner technology featuring a new unique design.

The new shaped burner design cleverly distributes flames under the entire grilling surface offering a perfectly even heat distribution. The vertical flames transports heat directly to the grilling surface so you can sizzle sooner!

## CAMPINGAZ® FEATURES\*

Powerful stainless steel Blue Flame Power System ensure perfectly even heat distribution, significantly less flare ups and keeps your food juicy and crisp

5 year warranty on stainless steel tube burners, providing strong performance and even heat

Revolutionary Campingaz InstaClean® Aqua ensures smart and effortless cleaning

Significantly less flare-ups by design

Maximise your cooking and grilling options with the Campingaz® Culinary Modularity

## CLASSIC SERIES

Cook up a feast for family and friends with our Classic Series barbecues. Featuring efficient and high-performance stainless steel tube burners together with a large, enamelled cooking surface these barbecues are perfect for preparing a wide range of al fresco meals. The included (EXS and LXS) or optional addition (LS and L) of The Campingaz<sup>®</sup> Culinary Modulares provide keen grillers with even greater cooking versatility. While the Even Temp<sup>®</sup> Technology offers perfectly even heat distribution. Cleaning is quick and hassle-free thanks to the Campingaz InstaClean<sup>®</sup> System.

## **INSTACLEAN® SYSTEM**

---

**Discover the ease of BBQ cleaning**  
with the Campinggaz InstaClean® System

### **Quick and simple!** **Let your dishwasher do the work!**

The system allows you to remove all dishwasher safe parts in less than 60 seconds. The dishwasher will help remove remaining oil and grease.

All parts are designed to fit a standard dishwasher for even easier cleaning

This system is featured on 3 and 4 Series barbecues.

Now it's also available as an accessory - Renew your firebox !

The new and improved Campinggaz InstaClean® System is on all our Master Series barbecues.

## EVEN TEMP® TECHNOLOGY

---

### Even Temp® Technology Guarantees Even Heat Distribution

### Grill effectively and efficiently with our Even Temp® Technology for perfectly even heat distribution

Campingaz® BBQs with Even Temp® Technology cook your food evenly across the entire cooking surface of your barbecue.

Thanks to the patented Even Temp® Technology, Campingaz® barbecues reach more than 250°C of the cooking surface.

This system is featured on all Master Series, RBS® Series, 4 & 3 Series, Attitude Barbecues, and Master Plancha and Blue Flame Planchas

# CAMPINGAZ® CULINARY MODULARS

**Versatile cooking and grilling options** are quick and convenient with Campingaz® Culinary Modulares

## Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

Simply take out the inner ring of the cast iron modular, or remove / reverse the adjacent griddle and insert one of the various Campingaz® Culinary Modular Barbecue Accessories. (items sold separately)

The Campingaz® Culinary Modulares offer every option your gourmet barbecue heart desires.

**Cast Iron Culinary Modular Grid included on the following models: all Master Series BBQs, all 4 Series RBS®, all 3 Series RBS® except 3 Series RBS® LB, all 3 and 4 Series EXS, all 3 and 4 Series LX, LXS, L Plus and LS Plus models, 2 Series RBS® LX/LXS**

**Cast Iron Culinary Modular Grid available as an upgrade and replacement for all 3 and 4 Series models, Master Series BBQs and 2 Series RBS®**

## STAINLESS STEEL TUBE BURNERS

---

**Powerful and durable stainless steel burners** for long lasting grilling dinners!

All Campingaz® 4/3/2 Series barbecues have a 3 year warranty on stainless steel tube burners

**Enjoy great cooking performance with this smart burner system designed to perfectly grill all types of foods.**

Specially designed burners create V-shaped flames that are directed towards the cooking grid and spread the heat evenly across the cooking surface.

The specifically designed burner protector, with protected ventilation slots, supports even heat distribution and prevents flare ups.

## RBS® SERIES

The Campingaz® RBS® range offers the best heat distribution for gourmet-food lovers who are serious about grilling. The advanced burner technology promises powerful and evenly distributed heat of over 250°C across 100% of the cooking surface for healthy cooking with fewer flare-ups. In addition the RBS® models offer maximum cooking versatility. With our culinary modular inserts, consumers can enjoy flavours from around the world with options to integrate a wok, pizza stone and more into the grill. The side mounted ceramic burners are especially ideal for rotisserie style grilling.

**RBS® SERIES**

**4 Series RBS® LXS**

2000015658

Reversible, enamelled cast iron griddle

**Powerful RBS® burners** for perfectly even heat distribution and healthy cooking

**Stainless steel double wall lid** ensures optimum heat retention with an elegantly designed finish

**Side burner griddles** included to enlarge the cooking surface and offer more variety

**Illuminated control knobs** offer ease of use in the dark

**Convenient condiment baskets** on the sides

**Caster wheels** with brakes offer easy mobility and a secure stance

**5 year warranty** on the RBS® burner system

**Radiation** Heat is transferred by “radiating or emitting” heat on the side walls of the inner firebox. This process heats the food evenly and resolves any flare-ups or flames while cooking. Perfect for mouthwatering rotisseries.

# RADIANT BURNER SYSTEM®

## Explore infinite cooking possibilities

with our patented Radiant Burner System®!

## Healthy, evenly cooked food, with no flare-ups!

Only our RBS® barbecues offer side-mounted, ceramic burners promoting healthy cooking with fewer flare-ups

The central heat reflector redistributes the heat evenly across the cooking surface.

Conveniently easy to maintain, the vertically positioned burners don't require any cleaning.

## DUAL HEAT SERIES

Planning a full meal for guests in your garden and want to make sure all different types of dishes are served warm and at the same time? Or maybe you have family or friends with special dietary wishes and would like to keep meats and vegetables separate from one another. Whichever the reason, Campingaz<sup>®</sup> Dual Heat Series barbecues can accommodate for your varied cooking style with its 2-in-1 barbecue!

Our Dual Heat barbecues have removable and dishwasher-safe dividing walls in the firebox and lid that allow for each side of the barbecue to operate separately. The barbecue is equipped with two, independent thermometers to ensure controlled cooking of various foods.

You'll also find Campingaz's<sup>®</sup> best features all packed into this versatile barbecue for fun cooking and easy clean-up.

## CAMPINGGAZ® DUAL HEAT

The new Dual Heat Technology ensures that there are two separate and individually manageable temperature zones on the barbecue cooking surface, enabling you to simultaneously prepare various dishes at different temperatures. Slow roast your pulled pork to perfection at low temperature in one temperature zone, while you simultaneously sear a succulent sirloin steak on a piping hot grid, in the other zone. For added convenience, the divided heat zones additionally prevent flavour transfer between the two cooking zones, which is especially useful for separating vegetarian delicacies from succulent meats.

### **Cook different foods at different temperatures at once**

Two separate and individually manageable temperature zones on the cooking surface, enabling you to simultaneously prepare various dishes at their ideal heat.

### **Stop flavour transfer between cooking zones**

Separate vegetarian delicacies from succulent meats. Perfect for meat lovers and vegans alike!

### **Removable top to bottom temperature divider**

Ensure you can conveniently convert your Dual Heat barbecue to maximise your cooking space.

# Barbecues & Planchas

## 2 BBQs in 1

**195°C** CHARGRILLED VEGETABLES AND CHICKEN

MARINATED RIBS

**90°C**

Simultaneously prepare various dishes at their ideal heat with two separate and individually manageable, temperature zones.

The background of the advertisement is a photograph of a woman with her hair in a bun, wearing a blue and white striped shirt, smiling as she holds a plate of food. The setting appears to be an outdoor garden with various plants and flowers. A dark blue semi-transparent box is overlaid on the lower half of the image, containing the text.

# ATTITUDE

The Campingaz® Attitude range of table top barbecues pairs sleek, urban styling with pioneering precision cooking, all within a compact, portable package. The new Campingaz® Attitude 2go brings BBQ pleasures to all who want to stay flexible.

Intuitively designed for effortless barbecuing, you benefit from even heat distribution thanks to the Campingaz® Blue Flame burner system, a revolutionary digital temperature display for precise heat management and one-touch InstaStart® ignition (on Attitude 2100 EX models).

The elegant lid of our Attitude 2100 models, opens to reveal a split cast iron grid and griddle, while the Culinary Modular Accessories allow you to unleash your cooking creativity with options from pizza to paella. When you're done, InstaClean® ensures cleaning couldn't be easier - parts just pop in the dishwasher.

## CAMPINGGAZ® CULINARY MODULARS

# Campingaz® Culinary Modulares One System, Endless Possibilities!

**Redefine urban outdoor cooking with  
Campingaz® Culinary Modular accessories  
and the Campingaz® Attitude!**

Simply take out the inner ring of the cast iron modular and insert one of the various Campingaz® Culinary Modular Barbecue Accessories. (items sold separately - not compatible with Campingaz® Wok)

Cast Iron Culinary Modular Grid included on the Attitude 2100 LX and EX models.

## EVEN TEMP<sup>®</sup> TECHNOLOGY

---

### Even Temp<sup>®</sup> Technology Guarantees Even Heat Distribution

### Grill effectively and efficiently with our Even Temp<sup>®</sup> Technology for perfectly even heat distribution

Campingaz<sup>®</sup> BBQs with Even Temp<sup>®</sup> Technology cook your food evenly across the entire cooking surface of your barbecue.

Thanks to the patented Even Temp<sup>®</sup> Technology, Campingaz<sup>®</sup> barbecues reach more than 250°C of the cooking surface.

This system is featured on all Master Series, RBS<sup>®</sup> Series, 4 & 3 Series, Attitude Barbecues, and Master Plancha and Blue Flame Planchas

No screwdriver required. All Attitude grills come completely pre-assembled.

\*Depending on model

The background of the entire page is a close-up photograph of food being cooked on a dark, flat surface, likely a plancha. In the foreground, several large, succulent shrimp are shown, their shells a vibrant orange-red color. They are interspersed with sliced red onions and green vegetables, possibly zucchini or bell peppers. The lighting is dramatic, highlighting the textures of the food. A semi-transparent dark blue rectangular box is overlaid on the lower half of the image, containing the text.

# PLANCHA COOKING

Some of the healthiest and tastiest foods are styled after Mediterranean cuisine, a mix of southern European flavors from Greece, Spain, Italy, and France. Campingaz® planchas are designed in France and manufactured in Italy- two countries that understand that delicious food is also paired well with the enjoyment of cuisine.

## PLANCHA COOKING

With 300 to 350 degrees, the Campingaz® plancha offers an optimum temperature range, especially for steaks, in which the hot plate caramelizes the sugars of the meat and ensures full-bodied roasted aromas. Excessive grease and liquids are transformed into pearls from intense heat and run off into a collecting container, and you'll find that the ingredients are actually roasted and not cooked. In addition to meat and fish, seafood or Julienne prepared vegetables and poultry are a characteristic example of the variety à la plancha is able to cook. The enamelled cast iron surface makes sauteing marinades or sauces effortless. Even alcohol, could be poured over to flambé, there are no limits here to à la plancha.

### Patented Blue Flame Burners Plancha Series

The patented Blue Flame Burners of the Campingaz® Planchas delivers exceptional even heat distribution. The

wide, blue flame burners sit right below the griddle to provide the right cooking temperature across the entire cooking surface. This ingenious Even Temp® Technology provides the optimum surface temperature for perfect plancha cooking. The patented Blue Flame Burners on all Campingaz® Master Series Planchas are guaranteed for 10 years.

### Quick Cleaning in 4 Easy Steps

Pour water over the warm surface. Ice cubes not recommended

Scrap debris into drain hole

Remove contents from dishwasher-safe grease cup

Once the surface is slightly cool, wipe with damp cloth

A large, black, rectangular plancha grill is shown in an outdoor setting. It is placed on a wooden table. In the background, there are green plants and purple flowers. The grill has a handle on the right side. The overall scene is bright and natural.

# MASTER PLANCHA

The outstanding cooking performance of our Master Plancha range is generated by the patented Campingaz® Blue Flame Technology. Powerful Blue Flame Burners evenly heat the entire cooking surface made of 6mm thick enamelled cast iron or stainless steel to provide the perfect plancha cooking temperature. Both the enamelled cast iron and the stainless steel surfaces ensure evenly distributed, long-lasting heat across the cooking area.

Using the Campingaz® Master Plancha is intuitive, with fast set-up and integrated handles for easy transportation. The Campingaz InstaStart® allows for simple, quick ignition and the blue light (EX) indicates if the plancha is in operating mode.

Enamelled cast iron and stainless steel cooking surfaces of Campingaz® Master Series Planchas feature a 10 year guarantee for performance season after season.

CAMPINGAZ®

# Barbecue Accessories

Improve your grilling experience from cooking to cleaning, with our recommended accessories.

Easily upgrade your barbecue with our Culinary Modulares and transform traditional grilling into a discovery of new flavors.

## OUR COOKING SURFACES

Campingaz® cooking surfaces are engineered to provide you with all the tools needed for successfully cooking any recipe on our barbecues.

From grids to griddles that protect the grilled food from direct exposure to flames and even heat distribution. You'll find that cooking, grilling, or even baking are possible with Campingaz's® multiple cooking surfaces.

**Grid:** Steaks, sausages or larger pieces of meat should be grilled on a grid. Especially, if you want to achieve the characteristic BBQ grid pattern.

**Griddle:** The griddle is mainly used for delicate grill items, such as fish, vegetables, fruits or strips of meat. A griddle protects the grill items from direct exposure to flames and distributes heat more evenly. Most of our cast iron griddles are reversible and have a flat and ridged side for multiple cooking options.

**Warming Rack:** Different foods take different lengths of time to cook. A warming rack is a smaller second grill that's positioned above the main grill. The warming rack can keep food that has already been cooked hot without cooking it further allowing other slower-cooking food to catch up. It can also be used as an additional grilling surface when using the barbecue like an oven for dishes such as stuffed tomatoes or baked potatoes.

**Plancha:** Plancha-style embraces low-fat, high-heat cooking on a flat surface for delicious and easy-made dishes in a southern European flare. Grill a steak to perfection with an accompanied sautéed sauce. Or cook some Huevos Rotos con tortas at your next dinner party, followed by caramelized bananas. Cleaning is simple on our enameled cast iron griddle.

**Twin Plancha:** For everyone who loves the flair of the southern kitchen, combined with the advantages of our griddle. This lifts your food above the grease that can drip down and flow into the grease evacuation channel. For our Planchas only.

## OUR COOKING MATERIALS

Campingaz® surface materials are engineered and tested to resist corrosion. In addition the materials used play a direct role in heat conduction and heat accumulation for even temperature distribution.

**Chromed Wire:** This material is often used for warming racks. The grids are very light but need special care as grill residues might burn into the material. Generally, chromed grids are dishwasher-safe, but we recommend a manual pre-cleaning with washing-up liquid and a sponge.

**Enamelled Wire:** Used on Xpert models and as warming rack in the Master Series. Compared to chromed wire grids, the Enamelled surface is easier to clean and protects the chrome. The grids are dishwasher-safe, but can also easily be cleaned with a sponge and detergent.

**Enamelled Stamped Steel Cooking Surfaces:** These cooking surfaces are lightweight, easy to handle and easy to clean. The enamelling prevents residue from burning into the material and sticking to the cooking surface. They are dishwasher-safe, but can also be easily cleaned with a sponge and detergent.

**Enamelled Cast Iron:** Enamelled cast iron grids and griddles conduct heat more intensively and sustainably than other materials. The pre-heating time of barbecues with cast iron cooking surfaces is slightly longer due to the thickness of the grids and griddles. The cast iron cooking surfaces are porcelain enamelled, protecting the cooking surface material from corrosion. They are produced in either a shiny/glossy look or in a textured, matte appearance. Grilled food doesn't stick as easily to the surface which aids cleaning and extends the lifetime of the cooking surface. We recommend to oil the cooking surface, regardless of the material, to avoid food from sticking to the surface.

**Stainless Steel:** A stainless steel plancha griddle sears meat perfectly and is a dependable and even cooking material that retains flavour. Durable stainless steel resists oxidation and rust. It's easy to clean without any residue breakdown over time. Simply pour some water on the warm surface and scrape food residue with a plancha spatula toward the residue hole, then wipe with a damp cloth.

# CAMPINGAZ® CULINARY MODULAR BARBECUE ACCESSORIES

Along with the new Culinary Modular Cast Iron Grid, you have the ability to use all Culinary Modular cooking inserts listed below. Simply remove the inner ring for use with the Pizza Stone, Wok, Poultry Roaster, Paella Pan. Please see page 104 for more information.

### Culinary Modular Pizza Stone and Pizza Cutter

Ref: 2000014582 EAN: 3138522069711

**Compatible with Campingaz® Culinary Modular System.** Serve up a pizza at your next barbecue! Simply roll the pizza dough onto the stainless steel plate & transfer to the ceramic pizza stone insert over the grill. Grill with lid closed for a perfect result!

### Culinary Modular Paella

Ref: 2000015104 EAN: 3138522071301

**Compatible with Campingaz® Culinary Modular System.** The stainless steel, non-stick coated modular Paella pan fits directly into your cast-iron grid to ensure that heat is distributed evenly.

### Culinary Modular Poultry Roaster

Ref: 2000014576 EAN: 3138522069650

**Compatible with Campingaz® Culinary Modular System.** Simply fill the inner compartment with your favorite cooking liquid: beer, wine, broth, or any combination of oils and seasoning and place poultry directly on top of the cylinder.

# Barbecues & Planchas

## Culinary Modular Cast Iron Wok

2000036961 EAN: 3138522118013

**Compatible with Campingaz® Culinary Modular System.** Sturdy cast iron Wok, perfect for Asian dishes made directly on the grill.

## Culinary Modular Wok

Ref: 2000014584 EAN: 3138522069735

**Compatible with Campingaz® Culinary Modular System.** Carbon steel wok with non-stick coating, perfect for Asian dishes made directly on the grill.

All Campingaz® materials for cooking surfaces are certified to be used with food according to the EN 1935/2004. Additionally they have all passed a sensorial check to make sure that the material does not impact the taste of your recipe.

## Culinary Modular Cast Iron Roasting Skillet

Ref: 2000035416 EAN: 3138522113919

The cast iron skillet with integrated stainless steel rack offers an endless variety of uses. Roast larger pieces of meat or even an entire chicken, or remove the rack and make a casserole or crumble.

The skillet has deep walls to minimise cooking splashes and encloses juices for making sauces, while two spouts on the sides allow for drip-free pours. Large easy-grip handles, offer extra stability when lifting a full pan.

## Culinary Modular Matt Grid

Ref: 2000031300 EAN: 3138522097561

**For use on Master Series and 3&4 Series Classic barbecues (except RBS® models)**

Upgrade your barbecue with this Matt Culinary Modular Grid and Insert to grill either a pizza, a stir fry, or paella. Just remove the insert and cook with our Culinary Modulares. Made of cast-iron, it is an ideal cooking surface for multiple grilling styles.

# CAMPINGAZ® CULINARY MODULAR BARBECUE ACCESSORIES

Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

### Premium Rotisserie Kit

Ref: 2000036962 EAN: 3138522118020  
**Compatible with all Campingaz® 3&4 burner barbecues (excl. Adelaide & 4 Series RBS)**

Kit composed of 1 electric motor, 1 spit, and two double forks. The heavy duty kit is dedicated to rotisserie cooking lovers. Its heavy duty spit and forks support a weight up to 3 kilograms!

### Plancha Accessory for Barbecue

Ref: 2000031424 EAN: 3138522098292  
**For use on Master Series and 3&4 Series Classic barbecues. Do not use in combination with a griddle surface. Not compatible with RBS® barbecue**

Plancha or barbecue? Now you can have both! Designed by Campingaz® engineers, our plancha cooking surface is made of shiny cast iron and fits perfectly on our barbecues. The raised edges assist in easily turning your food, while experiencing "à la plancha" cooking style. For use on Master Series and 3&4 Series Classic barbecues. Should be placed on left side of barbecue. Do not use in combination with a griddle surface.

### Grid Lifter

Ref: 2000037057 EAN: 3138522118259  
 A handy helper to lift your Campingaz® Culinary Modular grids.

## COOKING UTENSILS

---

Extend your kitchen outdoors with Campingaz® interchangeable cooking solutions!

### Universal Utensil Kit

**Ref: 2000030869** EAN: 3138522096694

All the utensils you need in one package. The kit includes a strong, durable stainless steel spatula, tongs and fork with attractive and comfortable bamboo handle. The set comes with a suede hanging loop at the end of each product for quick and easy access.

### Stainless Steel Spatula

**Ref: 2000014564** EAN: 3138522069537

Stylish and high-quality, the stainless steel Spatula features a full-forged handle made of steel and welded with a black, thermal-resistant material, perfect for flipping burgers.

### Stainless Steel Tongs

**Ref: 2000014567** EAN: 3138522069568

The long handles of the tongs ensure you won't get any nasty burns and the serrated ends ensure a good grip while you easily and effortlessly turn food.

### Stainless Steel Fork

**Ref: 2000014568** EAN: 3138522069575

Criss-crossed sausages and juicy steaks are cooked to perfection with this high-quality fork with its fully forged handle and non-slip grip.

## BBQ & PLANCHA TROLLEYS

## PLANCHA COOKING UTENSILS

Extend your cooking preparations and accessories with Campingaz® new plancha cooking utensil line.

**Premium Grilling Cloche**

**Ref: 2000035409**  
Ø: 32 cm

EAN: 3138522113841

The stainless steel cloche is ideal for steaming, smoking or melting food on a plancha or barbecue. The dome structure allows heat to concentrate underneath, cooking food more evenly whilst trapping juices and flavours within. Use it in combination with the Campingaz® Pizza Stone to bake homemade pizza on the plancha.

**Premium Plancha Spatula**

**Ref: 2000035410**

EAN: 3138522113858

Campingaz® stainless steel spatula with comfortable handle, specifically designed to easily mix vegetables, meat or seafood on your plancha or barbecue. Also aids plancha surface cleaning and removal of grill residue.

**Premium Long Plancha Spatula**

**Ref: 2000035411**

EAN: 3138522113865

Campingaz® stainless steel spatula with comfortable handle, specifically designed to simply flip several burger patties, crêpes or fish on your plancha or barbecue.

**Premium Precision Grilling Tongs**

**Ref: 2000035418**

EAN: 3138522113933

The perforated stainless steel precision tongs are rust-free and perfect for handling even the most delicate or awkward foods.

## UPGRADES AND REPLACEMENTS

Benefit from Campinggaz®'s barbecue upgrades and replacement burner covers, grids, and InstaClean® kits to bring new life into your loved barbecue.

**Campinggaz® Enamelled Protective Replacement Burner Covers - Set of 2**

**Ref: 2000033785**

EAN: 3138522108885

Want to convert or simply replace your old burner protectors? Protect your burners with two burner covers made from enamelled steel when you replace your griddle with a Campinggaz® Culinary Modular grid.

\*Grid sold separately

**Campinggaz® 3 Classic Series Grid & Burner Protector**

**Ref: 2000033786**

EAN: 3138522108892

Convert to a full barbecue grid. Replace your griddle with our cast iron grid and protective burner set. Kit includes one cast iron grid and one enamelled burner protector.

## CLEANING ACCESSORIES

The Campingaz® brand also offers a range of barbecue brushes as well as a cleaner spray to keep your barbecue as good as new.

**Barbecue Cleaning Spray**

**Ref: 205643**

EAN: 3138522056438

Get your barbecue clean and ready-to-use with the Campingaz® biodegradable spray. Spray the cooking surface, leave for approximately 5 minutes and rinse with clean water.

**Stainless Steel Cleaner**

**Ref: 2000036972**

EAN: 3138522118051

Get your stainless steel barbecue shining bright again with our newest Campingaz® Stainless Steel Cleaner. Spray on, whip off. It's that easy.

**Triangle Cleaning Brush**

**Ref: 2000032369**

EAN: 3138522103125

Stainless Steel brush with a plastic handle. Cover a larger surface of the grid compared to our classic brush. Total length: 32 cm

**Brass Brush**

**Ref: 2000032607**

EAN: 3138522104061

Remove grease and grime easily. Particularly efficient cleaning between grill grates. Sold in 36 piece PDQ

## COOKING ACCESSORIES

Practical and versatile utensils and rotisserie sets that simplify the life of a barbecue chef.

### Genuine Lava Rocks

Ref: 205637

EAN: 3138522056377

- Replacement pack
- Natural product with a porous surface
- Sufficient for a 1500cm<sup>2</sup> cooking surface

## BARBECUE GRIDS & BASKETS

---

Grilling multiple burgers, sausages or fish at the same time? Simplify rotating food and avoid singed arms with these handy grids and baskets.

**Double Grid Basket**

**Ref: 205689** 35x25 cm EAN:3138522056896  
Chrome plated grid with wooden handle.

## MASTER COVERS

Protect your Master Series Planchas from the rain, wind and sun with the Master Plancha Cover. The treated waterproof cover will ensure your barbecue won't rust, fade or become damaged while not in use and can be secured with a tie for secure fitting.

### Master Plancha Cover

**Dimensions: 66 x 51 x 21 cm**

**Ref: 2000030866**

EAN: 3138522096663

Covers designed to fit the Campingaz<sup>®</sup> Master and Blue Flame Planchas. Perfect for protection against the sun, the rain and the cold. Designed to fit the Master Plancha L, LX and EX.

- Material: PU-coated polyester 300 x 300 D
- Ties and cord locks for secure fitting

Protect your attitude barbecue from the rain, wind and sun with this cover. The treated waterproof cover will ensure your barbecue won't rust, fade or become damaged while not in use.

## PREMIUM BARBECUE COVERS

These covers don't just keep the rain out, they force condensation out too, using our water-resistant, breathable technology. Combine that with an included storage bag, and you've got a compact, unobtrusive and highly effective range of covers.

### XXL Cover

**Dimensions: 171 x 62 x 106 cm**

**Ref: 2000037293**

EAN: 3138522090012

## ATTITUDE PREMIUM COVER

Protect your attitude barbecue from the rain, wind and sun with this cover. The treated waterproof cover will ensure your barbecue won't rust, fade or become damaged while not in use.

### Attitude 2100 premium cover

**Dimensions: 66 x 55 x 35 cm**

CAMPINGAZ®

# Cartridges & Cylinders

Energy for your outdoor-living!

Powerful & convenient.

From lightweight stoves on backpacking adventures to powerful cookers at your favourite campsite; from gardening equipment to your hobby or DIY devices; our cartridges and cylinders are your source of energy. Easy to handle, safe and efficient!

## CHOOSE THE RIGHT GAS...

---

### Refillable cylinders

Intended for regular use or for extended operating times. Available Europe-wide.

### Valve cartridges

Featuring a self-sealing valve, they can be disconnected and reconnected even when not empty!

### Pierceable cartridges

Economical single use cartridges that cannot be disconnected from a product until the cartridge is empty.

## 2 SECURE CONNECTION TYPES

---

**Easy Clic® Plus, an even more convenient system made for valve cartridges – simply rotate 45° to get connected!**

The Easy Clic® Plus connection is the most simple and technically sophisticated connection which allows the fixing of a valve cartridge on a stove or on a lantern with a simple 45° rotation.

#### 1- Fix

Applying a small amount of pressure on the device with the cartridge is enough

#### 2- Turn

Apply a 45° left turn on the device and you're connected!

**Screw in system for the cylinder connection**

1- **Insert** the device in the valve head of the cylinder

2- **Turn** right to screw it in and connect, turn left to unscrew

## REFILLABLE CYLINDERS

These bigger, heavier cylinders are designed for more prolonged, intensive or regular use. They are fitted with a safety valve and are available Europe-wide.

### Exchange your cylinder

With the Campingaz® cylinder exchange system, you can bring your empty cylinder to a Campingaz® product retailer in France, UK, Germany, Italy, Spain, Benelux (and dozens of other countries), and get a full cylinder for the price of just the refill. It's as simple as that.

### R907

- Contains 2.75 kg Butane
- Size (without cap) ø 20.3 x 23.5 cm
- Weight: 6.46kg

Ref: 30410\*  
EAN: 3138520061717

\* References for empty cylinder. Please contact local distributor for further information on gas cylinders.

## VALVE CARTRIDGES

Our range of valve cartridges have a high security self-sealing valve giving them all the advantages of being resealable – so they can be disconnected and reconnected even when they're not empty. Ideal for periodic, moderate use.

### Butane/Propane mix

Recommended for better performance at low temperatures.

### CV300 Plus

- Contains 240g Butane/Propane mix (80/20)
- Size (without cap) ø 9 x 10.5 cm
- Weight: 410 g

Ref: 3000005760, 3000005759  
EAN: 3138522109325, 3138522109318

### CV470 Plus

- Contains 450g Butane/Propane mix (80/20)
- Size (without cap) ø 11 x 14 cm
- Weight: 710 g

Ref: 3000005763, 3000005762  
EAN: 3138522109356, 3138522109349

### CP250

For Bistro® type stoves.

- contains 220g of Butane/Isobutane mix
- Size (without cap) ø 6.9 x 18 cm
- Weight: 315 g

Ref: 2000033973  
EAN: 3138522109295

### CV360

Compact cartridge used for DIY purposes

- Contains 52g Butane
- Size (without cap) ø 3.8 x 14.1 cm
- Weight: 110 g

Ref: 3000005827  
EAN: 3138520193128

## PIERCEABLE CARTRIDGES

Pierceable cartridges can't be disconnected once they've been plugged into an appliance, so they're suitable for more intensive or longer use – they're also our most economical and widely available cartridges.

### C206 GLS

The cartridge has an integrated leakage limiter, the Gas Lock System, which is compliant to the European standard EN 417:2012 legislation. The system prevents the majority of residual gas from escaping the cartridge when accidentally disconnecting it from the appliance, thereby also preventing flare-ups.

### C206 GLS

- Contains 190g Butane or Butane/Propane mix (80/20)
- Size (without cap) ø 9 x 9.5 cm
- Weight: 280 g

**Ref: 3000005771 - Butane/Propane mix**  
EAN: 3138522109431

NEW

### Cartridges CV470+ 4pack Duolabel

- Contains 4x CV470
  - Size: 22.8 x 22.4 x 14.5 cm
  - Weight: 2.68kg
- Include packaging picture

**Ref: 3000006258**  
EAN: 3138522117115

## EXCHANGE YOUR CYLINDER

---

### What to do with a refillable cylinder when it is empty?

#### The 3 different gas cylinder recycling models:

##### 1/ The common model

A deposit is left when you purchase your first cylinder of gas. Part of this deposit is received back when you return it to a retailer of gas. This model is usually limited to the national territory. For example, generally a French returnable cylinder cannot be exchanged in another country.

##### 2/ The Campingaz® model

The Campingaz® refillable cylinder model that has been used for more than 60 years is different; when you purchase a gas cylinder you become the owner of this cylinder. You can exchange your empty cylinder for a full cylinder whenever you want and wherever you go, even abroad. This exchange model for empty cylinder, with which you only purchase the actual bottle once, gives you more flexibility. All information about this system is printed on the top of each cylinder.

##### 3/ Recycling returnable cylinders

If you don't need to use your cylinder anymore, you can return it to a retailer or a recycling centre. They will be accepted free of charge.

All returned cylinders are brought back to the factory where they were initially filled, where they are repaired and given a second life if their condition allows it. If it is not the case, they will be recycled.

This initiative is aligned with the Campingaz® value for environmental and sustainable development.

# Cartridges & Cylinders

Scan the QR code or go to the website below for a full list of stores that carry Campingaz® cartridges and/or offer Campingaz® refillable cylinders across EMEA.

CAMPINGAZ®

# Food Preparation

Whether you're on the side of a mountain or out on a family trip, we've got everything you need for a meal on the go.

Make more out of a meal with our wide range of innovative stoves. All grills and stoves are supported by our globally available range of gas cartridges and cylinders. Whichever you choose, you can be sure that they're reliable, safe and practical.

## MULTI-COOKING OPTIONS

---

### The Campingaz® cooking world – a world of multi-cooking options!

Whether camping with family and friends, for long or short periods, for a day on the beach or a simple picnic in a park, Campingaz® offers a wide range of portable stoves that enable all cooking possibilities. There is no need to compromise, even when outdoors, you have all the options to prepare your favourite meals, like at home.

Why not prepare an English breakfast with beans, sausages and toast? Or perhaps grill some fresh fish whilst cooking some pasta? Alternatively, you may prefer to bake a pizza? All these tasty dishes are possible with the Campingaz® gas stove range.

#### Cooking

#### Grilling

#### Toasting

#### Spit style roasting

## CHOOSE THE RIGHT STOVE...

---

**Make sure you choose the right stove for your needs.**

### 1. Cartridge or cylinder?

Cylinder stoves are designed to run for much longer and produce more power for intensive use. Refillable cylinders are heavy and not very practical if you're going hiking. For portability, a cartridge stove is the way to go! Each of our two burner cylinder stoves can run off either Campingaz® R904/907 gas cylinders or any standard butane or propane 6kg gas cylinder.

### 2. Single or multi-burner?

A single-burner stove is lighter and more compact but only allows you to cook one thing at a time. Two burner stoves give you more options for your cooking and often come with a stand but can be a little less handy and more heavy than a single-burner stove.

### 3. Burner and grill?

Ask yourself what kind of cooking you would like to do. If you intend on mainly making a cup of tea or heating baked beans, one burner may be enough. If you want to cook a full breakfast, consider a burner and grill combination.

## XCELERATE<sup>®</sup> TECHNOLOGY

Campingaz<sup>®</sup> presents the **newest innovation** in camping stove technology .

**Cut your boil time in half** with **Xcelerate<sup>®</sup> Technology**. The combination of the Xcelerate<sup>®</sup> burner and wind blocking pan supports provides the ultimate wind resistance for your gas stove flame, reducing gas consumption and the time you spend cooking, giving you more time for recreation in the outdoors.

### Xcelerate<sup>®</sup> Burner

The patented burner technology features a lower, more wind resistant, higher performance flame that produces results unmatched by regular burners.

Downward “stepped” design and increased heating surface area.

### WindBlock<sup>™</sup> Pan Support

The patented pan support technology creates a barrier around the burner that provides superior wind deflection.

Wind is redirected and cannot enter the cooking area.

**XCELERATE<sup>®</sup>**  
Technology

## CUT YOUR BOIL TIME IN HALF!

**XCELERATE**<sup>®</sup>  
Technology

Wind speed	Boil time using 200mm pot	Gas consumption in g per hour
3 m/s	10 mins	200 mm 26 g
	20 mins	57 g
1 m/s	7 mins	200 mm 18 g
	8 mins	23 g

Tested in a laboratory according to internal standards.

## 400 SERIES

Two great table-top 2-burner stoves, one offering the possibility of cooking and toasting at the same time, the other cooking and grilling on two removable grids. The powerful Xcelerate® technology ensures high performance and fast boiling whenever camping outdoors. Take advantage of the multiple cooking options that these stylish portable 2-burner stoves have to offer when enjoying the open air with family and friends.

**400 S**  
2000032226

# Coolers

Cold, hot, large, small, rigid, soft, electric, traditional, funky, plain... we've got them all.

All our coolers are built to last and offer high performance at great value. Whether you're camping or just out in the countryside for the day, keeping your food and drink chilled is a basic luxury, and with a wide selection available, you'll find the right cooler for all occasions.

## THE RIGHT COOLER...

Whether you are on a campsite, travelling by car or undertaking a spontaneous day trip - the Campingaz® cooler ranges cover all your needs for different occasions, just choose the right one:

**AM** | ANTIMICROBIAL  
LINER  
PROTECTION  
LIMITED TO PRODUCT

### Thermoelectric coolers

Thanks to an integrated cooling system, Thermoelectric coolers offer a longer, excellent performance for your camping holiday and are treated with an antimicrobial liner. They can be plugged into:

- A car cigarette lighter
- A 230Vac via a transformer (integrated or sold separately)

## Hard coolers

The Campingaz® hard coolers are perfect for a weekend trip to keep your food and drinks fresh.

A wide range covers your individual needs and offers performance for your camping holiday:

- Antimicrobial treated lining only on Icetime Plus Extreme coolers
- Excellent insulation
- Superior quality supported by numerous tests

**Freez'Pack® will increase your cooling performance**

## Soft coolers

A great combination of superior insulation, lightweight textiles and attractive designs for outings and short trips:

- Antimicrobial treated lining on all Tropic and Sand soft cooler ranges
- Easy to carry thanks to its lightness
- Easy storage due to foldable system and flexible shoulder strap
- Easy to clean thanks to seamless inner liner and fabrics used
- Different designs ranging from 'Classic' to 'Fashion' meeting your individual desires

**Flexi Freez'Pack® will increase your cooling performance**

A guide to the new Campingaz® TE and passive cooler ranges

## CAMPINGAZ® THERMOELECTRIC AND HARD-SIDED COOLERS

Campingaz® lineup of stylish & sleek, high performance electric and passive coolers, jam-packed with brand new features from the lid to the base! With the long-standing tradition and heritage for cooling performance from Campingaz®, campers, picnic-goers, and vacationers alike can rest assured their food and drinks will stay cool for the whole journey!

## FOUR MODE ADJUSTABLE COOLING PERFORMANCE

The Campingaz Powerbox® Plus AC/DC hard cooler features

a control dial with 4 modes, allowing you to choose the performance and efficiency level. The coolers can be turned off by putting the dial on “OFF” mode without the need to unplug the cord.

To reduce the noise level of the fan switch to “NIGHT” mode. The internal fan operates at a 36db level, which is quieter than the suggested night noise level by WHO (World Health Organization)

For an efficient, yet environmental friendly operation, the “ECO” mode can be used, giving an A++ energy rating.

“MAX” mode is available for the ultimate cooling performance.

## THICK, PREMIUM PU HARD COOLER INSULATION

Tests show that cooling loss is significant through the base of coolers.

Campingaz® models feature an increased insulation base and have two integrated, rounded feet providing the perfect amount of space for air to flow.

All Campingaz® hard coolers are constructed with Polyurethane (PU) insulation material, the highest quality insulation material available on the market — utilising more insulation on each of our new coolers than competitors!

Our Icetime® Plus Extreme coolers are also equipped with a PU-insulated lid for an extra boost of performance.

Prior to assembling, the PU is injected into the casing of the cooler; whereas most competitors use Expanded Polystyrene – EPS which is 20% less effective than our PU insulated coolers.

Increasingly more PU insulation compared to prior and competitor models.

**POWERBOX® PLUS**

**ICETIME® PLUS**

## SOFT COOLER INSULATION

## ANTIMICROBIAL LINER

Campingaz® was the first TE cooler on the market to contain an antimicrobial liner which resists the formation of mould, mildew, and unpleasant odours which may develop from bacteria inside a cooler.

Our non-toxic, safe to use, antimicrobial effect is obtained from an additive which is melted down into the plastic before it's moulded into the liner and it's a lifetime treatment. It cannot be scratched off or weakened over time.

**ANTIMICROBIAL  
LINER  
PROTECTION  
LIMITED TO PRODUCT**

## FREEZE GUARD

---

An integrated sensor protects cooler contents from being frozen  
Includes: Powerbox® Plus 12V/230V

## BATTERY SAVER

---

An electronic chip senses when a car battery does not have enough charge  
start ignition and shuts off power to the TE cooler.

## NEW HINGED LIDS AND WIDE LID OPENING

---

Snug fit handle for convenient storage, wide mouth for easy filling.  
Includes: All new Campingaz® Passive and Electric coolers.

## CLICK 'N LOCK

---

Lid emits clicking sound when closing for reassurance.  
Includes: All new Campingaz® Passive and Electric coolers

# THERMOELECTRIC COOLERS

The Campingaz Powerbox® Plus AC/DC active cooler range operates off a 12V car plug-in or a 230V electrical outlet (both cables included), combined with the high-performance injected PU foam, the coolers will keep contents at 19°C below the ambient temperature. They feature a control dial with 4 modes, allowing you to choose the performance and efficiency level. The coolers can be turned off by putting the dial on “OFF” mode without the need to unplug the cord. To reduce the noise level of the fan switch to “NIGHT” mode, and for an efficient, yet environmental friendly operation, the “ECO” mode can be used, giving an A++ energy rating. “MAX” mode is available for the ultimate cooling performance. Assembled in Italy.

Inhibiting the ability of microorganisms to grow, many Campingaz® coolers feature an Antimicrobial Liner, a powerful protection ensuring resistance to mould and mildew growth inside the coolers and it also blocks unpleasant odours from developing.

**ANTIMICROBIAL LINER PROTECTION LIMITED TO PRODUCT**

An antimicrobial additive is melted down into the plastic before it's moulded into the liner to ensure that it's "there for life" and cannot be scratched off or weakened over time.

# THERMOELECTRIC COOLERS

The Campingaz® thermoelectric cooler range is packed with 30% more premium insulation than its predecessor. When plugged into your car or into the main electricity port via a transformer, they keep their contents 20°C below the ambient temperature. The improved and very quiet fan emits a maximum of 39 dB, that won't wake you up at night! The power cord and plug can also be easily removed and conveniently stored inside the cooler during non-use. The 12V easily removable cord can be quickly stored inside the cooler when not in use.

The Campingaz® thermoelectric coolers also have a breakthrough, antimicrobial liner that resists odour, mould and mildew. The antimicrobial additive is injected into the plastic of the liner, meaning it's there for the life of the cooler – it can never be scratched off or removed. With a new and modern shape built from strong and thick polypropylene these coolers stay cool for hours even when unplugged.

**Powerbox® Plus 36L**  
2000024957

Thicker and improved PU insulation

Integrated feet to elevate cooler from ground and create an additional insulation layer of air

Rounded edge design for a more modern look and brings food closer to the center with the utmost cooling performance

Firm locking lid

Noise reduced fan

Integrated storage for cable

**35% more cooling performance**

# Garden Furniture Covers

Extend those warm lazy summer days into entertaining evenings in the garden.

The Campingaz® brand offers a wide range of products for the perfect al fresco garden. Furniture covers ensure your furniture stays protected, clean and continues to look great, so you can spend more time relaxing outdoors.

## GARDEN FURNITURE COVERS

Our improved Campingaz® furniture covers ensure your al fresco dining furniture will always look its best year after year, providing protection from rot and mould growth. The furniture covers help to protect against sun, heat, rain and cold, and are especially tailored with 20% thicker PVC to cover your garden furniture up neatly when it's not in use.

CAMPINGAZ®

# Airbeds & Pumps

A beautiful camping location is even better after a good night's sleep.

Our airbeds are light but tough and come in a range of sizes to suit all situations. Our 'Airtight® System' means that they're not only comfortable, they're also guaranteed leak free, so you won't be let down in the night.

## SMART QUICKBED™ AIRBEDS

Our Smart Quickbed™ Airbeds come with some handy features when you are on a busy camp site or on a festival ground. The airbeds not only come with a comfortable inflatable pillow but also with a secret storage compartment below. This means you can literally sleep on our valuables while camping.

Airtight® System

Internal coil structure

Pillow for better comfort

Easy to access storage space under the pillow

Flocked PVC on top

Coil structure maximises comfort

Integrated Airtight® System prevents unwanted deflation

Strong PVC makes the airbed more resistant against punctures

### Smart Quickbed™ Airbed Single

2000025187

# Airbeds & Pumps

Fold the double bed over and clip it together as an extremely comfortable double-height single mattress

Also for use as two singles

Zip it together into a double bed

Flocked PVC on top

Coil structure maximises comfort

Integrated Airtight® System prevents unwanted deflation

Strong PVC makes the airbed more resistant against punctures

Snap 'N' Stay™ feature for attaching together

## Convertible Quickbed™ Airbed

2000025191

4 in 1 convertible airbed offers 4 different sleeping configurations: 2 single airbeds that easily zip together to become either 1 double airbed or 1 raised single airbed

## AIR PUMPS

Our Smart Quickbed™ Airbeds come with some handy features when you are on a busy camp site or on a festival ground. The airbeds not only come with a comfortable inflatable pillow but also with a secret storage compartment below. This means you can literally sleep on our valuables while camping.

### Rechargeable QuickPump™ Air Pump

Ref: 204474

EAN: 3138522044749

**An extra powerful electric pump for faster inflation (and deflation), with a rechargeable power unit.**

- 230V AC charger included
- Hose and carry bag included
- Additional Double Lock™ valve and pinch valve adapters included to use pump without hose
- Runtime: 30 minutes (when fully charged)
- Airflow: 600 litres per minute
- Head pressure: 39mBar
- Weight: 1.7kg

### Dual Action QuickPump™ Hand Pump

Ref: 204473

EAN: 3138522044732

**This clever design creates airflow on both the upward and downward pump movement – inflating and deflating a whole range of inflatable products, from beds to boats.**

- Hose and carry bag included
- Also includes multiple adapters
- Weight: 1.05kg

# Chemical Toilet and Hygiene Products

When nature calls, we have a choice of hygienic and practical solutions making your stay in the outdoors more comfortable.

## ANTIMICROBIAL SEAT AND BOWL PROTECTION LIMITED TO PRODUCT

With our antimicrobial seat and bowl protection, Campingaz's® reassuring technology gives you confidence in sanitary hygiene for your whole family, from young ones to the elderly.

On the seat and bowl of our Campingaz® 20L Portable Toilet, we've placed a non-toxic and safe antimicrobial treatment which resists the growth of mould, mildew and odour causing bacteria. The non-toxic antimicrobial treatment does not come off if you touch the toilet and it also does not wash off after time as the agent (active substances: glass, oxide, silver, phosphate) is mixed with the plastic before production. The antimicrobial barrier ensures health and hygiene protection and continually fights the presence of mould, mildew and odour causing bacteria, even while the toilet is in storage. This ensures the product is ready to use whenever you need it without the fear of mouldy odours or unsightly and unhealthy discolorations.

# CAMPINGAZ® 20L PORTABLE TOILET

The new Campingaz® 20L Portable Toilet has an increased seat height that is perfect for camping and travelling, boating, home renovations. Also suitable for toilet training children or for elderly care and people that are temporarily debilitated. The increased height combined with the generous width provides seating comfort while the large 20L waste tank makes this the perfect option for the family. The seat and bowl have an antimicrobial treatment, guaranteeing a barrier against odour, mould and mildew and the toilet is equipped with a new extra strong locking system for peace of mind when transporting it.

**ANTIMICROBIAL  
SEAT AND BOWL

C206

C206 GLS

**Easy Clic® Plus:** Simple method for attaching a valve cartridge

1. Click.  
Simply press the appliance into the valve cartridge.

2. Rotate.  
Twist the appliance 45° to the left to secure cartridge.

**Screw in system for the cylinder connection**

## TYPE OF IGNITION

**Piezo ignition:** In a traditional piezo ignition, a small hammer hits against a crystal which creates a small spark that is used to ignite the gas. This always happens with an easily recognizable sound. Sometimes it needs more than one push to successfully ignite the gas with a piezo ignition.

**Electronic ignition:** Easy start due to a battery-powered circuit. A battery-powered tension is used to create a spark. The typical noise here is a silent clicking.

**InstaStart® ignition:** This special type of electronic ignition is a convenient push and turn-button lighting system designed specifically for our BBQ grills. Pushing the button creates a spark. Turning the same button starts the flow of gas, that then ignites the spark to become a flame.

**Push & Turn Piezo ignition:** This special type of ignition is a convenient push and turn-button lighting the system designed specifically for our gas stoves. Pushing the button creates a spark. Turning the same button starts the flow of gas, that then ignites the spark to become a flame.

## BBQ FEATURES

**RBS® healthy cooking:** Only our Radiant Burner System barbecues offer side-mounted, ceramic burners promoting healthy cooking with fewer flare-ups

**SBS - CAMPINGAZ® SEARING BOOST STATION FOR MASTER SERIES BARBECUE**

**Cast iron burners**

**Stainless steel burners**

**Standard burners**

**Patented blue flame burner for Master Plancha series**

## STOVE FEATURES

**Side burner:** More cooking possibilities with a side burner that can be used for pots and pans.

**Even Temp® Technology:** Even heat distribution across the entire cooking surface.

**Less flare ups:** Designed for healthier cooking with less flaring from the burners.

**Campingaz InstaClean® System:** Removable dishwasher safe parts.

**Easy clean:** Can be washed and cleaned easily.

**Campingaz® Culinary Modularity:** Experience different cooking possibilities with exchangeable inserts.

**Thermometer**

**Side tables:** Side tables included.

**Foldable side tables:** Fold away for space saving storage.

**Slidable side tables:** Slide away for space saving storage.

**Included Plancha spatula and convenient spatula holder**

**Number of people that can be served per grilling session**

**Illuminated control knobs**

**Xcelerate® Technology:** The combination of the Xcelerate® burner and wind blocking pan supports provide the ultimate wind resistance for your gas stove offering a much faster boil time than regular burners.

**Integrated windshield system**

**Power adjustable:** Fully adjustable power.

**Boiling time:** Takes 3min and 3sec until boiling (numbers will vary)

**Quick cooking:** Quick cooking using a powerful burner.

**Stoppaz™:** for added safety, the gas cuts off automatically if the flame is blown out.

**Regulator and hose included**

**Two burner stove with two powerful burners**

**Toaster:** Includes toaster.

**Lid:** Includes collapsible lid

**Weight:** Product weight.

**Easy to carry:** Convenient carrying and easy storage.

**Fat collecting:** Fat collecting system for healthier cooking.

**Stable and tough base for better stability when cooking and working on uneven surfaces**

## AIRBED FEATURES

**Airtight® System:** Advanced Double Lock™ valve with two sealing points guaranteeing a leak-free product. Makes inflation and deflation fast and simple.

**Coil structure:** All of our airbeds have an internal coil structure, ensuring firmness and comfort all night long.

## COOLER FEATURES

A non-toxic and safe antimicrobial treatment on the liners to stop mildew, mould, and odour-forming bacteria.

**12Vdc:** Runs off 12Vdc car cigarette lighter.

**12Vdc/230Vac:** Can be used in 230Vac mode with an 230Vac/12Vdc transformer.

**Capacity:** Capacity of the cooler, indicated by the amount of litres that the cooler can hold.

**Capacity:** Capacity of the cooler, indicated by numbers of bottles that the cooler can hold.

**Cooling performance:** Guarantees 17 hours (numbers will vary) temperatures below 15°C (with Freez'Pack®).

**Cooling function:** The outside temperature minus 18 degrees Celsius (number varies between products) equals the temperature inside the cooler.

**WARRANTY APPLICATION TERMS AND CONDITIONS:** Please refer to the Instruction Manual. To find out more about our warranty visit [www.campingaz.com](http://www.campingaz.com) and view the After Sales section.

## STANDARD TERMS & CONDITIONS OF SALE

1. **ENTIRE AGREEMENT.** The party to whom goods are being sold, either by means of electronic data interchange or a traditional paper transaction is "Buyer." We are "Seller." The terms and conditions stated herein supplement Seller's sales agreement ("Vendor Agreement") specific to Buyer and together the terms and conditions and the Vendor Agreement constitute the entire agreement between Buyer and Seller ("Agreement"). In the event of conflict between the Agreement and those contained in any other proposal, purchase order, invoice, acknowledgement, or writing, this Agreement shall control. Any change to or addition of the Agreement must be in a separate writing and signed by both parties hereto.

2. **SELLER'S TERMS PREVAIL.** THE PURCHASE OF SELLER'S GOODS IS EXPRESSLY CONDITIONED ON BUYER'S ASSENT TO THIS AGREEMENT. ANY ADDITIONAL AND/OR DIFFERENT TERMS AND CONDITIONS ARE HEREBY EXPRESSLY REJECTED. BUYER SHALL BE DEEMED TO HAVE ACCEPTED THE AGREEMENT THE EARLIER OF SELLERS' ACKNOWLEDGEMENT OF THE ORDER AND BUYER'S RECEIPT OF GOODS.

3. **ASSIGNMENT.** Buyer shall not assign any sales order or any part thereof including, but not limited to any obligations to make any payment(s) due or to become due hereunder, without the written consent of Seller.

4. **PRICES.** Prices and terms are subject to change without notice. Seller will endeavour to provide Buyer with 30 days notice. The price to be applied shall be that which is in force on the date of delivery. Unless otherwise expressly accepted by Seller, Prices are quoted either : (i) ex-works dispatching place (Incoterms 2010-ICC), at which time Prices are exclusive of all transportation, insurance, taxes, license fees, customs fees, duties and other charges related thereto. Buyer shall pay any and all freight charges to the final destination and hold Seller harmless therefrom; or (ii) FOB port of shipment (Incoterms 2010-ICC) when Seller may offer merchandise for sale direct from Asia, at which time Seller only bears the expense of moving the container(s) to the named port in the country of origin.

Prices are for products only and do not include technical data, proprietary rights of any kind, or patent rights. Seller's intellectual property rights shall remain its absolute unencumbered property and nothing contained herein shall give Buyer any right, title or interest in or to Seller's intellectual property right.

5. **PAYMENT.** Products are invoiced on each delivery in USD, Euro or any other currency agreed by Seller. TIME IS OF THE ESSENCE for Buyer to pay Seller for the goods. The agreed upon payment terms are stated in the Vendor Agreement and on the invoice. In the absence of any such statement, payment is due in full within sixty (60) days from date of invoice by cheque, bank transfer, draft or any other mean of payment expressly accepted by Seller. In the event Buyer fails to make timely payment on one or more of Seller's invoices, Seller shall have the right to accelerate all outstanding payments Buyer owes to Seller and make such payments immediately due and payable, regardless of payment terms. Seller reserves the right to require payment by letter of credit, cash on delivery or other suitable payment terms and otherwise modify credit terms or to suspend production, shipment or delivery if prompt payment is not made. When partial shipments are made, payments for such partial shipments shall become due in accordance with the terms stated herein.

Seller does not ship any merchandise on consignment. All orders are accepted with any credit terms extended subject to the approval of the Seller's Credit Department. All late payments shall incur an interest charge of at least three (3) times the legal interest rate increased by 5 points, invoiced to Buyer without any formality. The interest rate stated herein shall continue to accrue after Seller obtains a judgment against Purchaser. The Seller has the right to exercise setoff or recoupment when needed to satisfy an outstanding debt.

6. **PURCHASE MONEY SECURITY INTEREST.** All products remain Seller's property until full payment thereof by the Buyer (price, interest and incidental expenses). Title to the products shall pass to the Buyer upon full payment.

To secure the performance of its obligations hereunder, Buyer hereby grants to Seller a security interest in all of its inventory of goods purchased hereunder for which Seller has not received payment pursuant to Section 5 hereof ("Secured Inventory"). Buyer warrants that all Secured Inventory will be owned by Buyer free of all other liens, security interests, and encumbrances that are prior to that of Seller. All of the Secured Inventory will be kept at the facilities, the addresses of which will be delivered to Seller at its request; but Seller's lien and security interest will be maintained despite the location of the Secured Inventory. Except for sales made in the regular course of business, Buyer shall not sell, encumber or dispose of or permit the sale, encumbrance or disposal of any Secured Inventory of goods without the prior written consent of Seller. In the event that Buyer sells Secured Inventory in the regular course of business, Buyer shall identify other inventory of value equal to that of the sold Secured Inventory as collateral for the security interest, which inventory then will be treated as Secured Inventory under this Paragraph 6. Buyer agrees to execute any instruments requested by Seller from time to time for purposes of further evidencing such security interest or notifying third parties by recordation or otherwise of such security interest

7. **UNAUTHORIZED DEDUCTIONS.** Seller does not recognize any deduction or penalty policies of Buyer other than a fully executed agreement and this Agreement. Should Buyer take an unauthorized deduction from a payment to Seller, Seller will reject the claim as invalid. Buyer will repay any such deduction immediately upon notification from Seller. Unauthorized deductions that are not immediately repaid will be deducted from any available credits due Buyer, including but not limited to, agreed upon merchandise returns or sales program allowances. Seller reserves the right to suspend shipments to Buyer until the unauthorized deduction(s) is repaid in full.

8. **RIGHT TO AUDIT.** Any disputes by Buyer shall be submitted to Seller in writing with proper documentation within one year of the invoice date. All Buyer claims received more than one year after the invoice date are waived.

9. **FREIGHT TERMS.** Unless otherwise accepted by Seller, sales of products are made ex-works dispatching place (Incoterms 2010-ICC) or FOB port of shipment (Incoterms 2010-ICC) when Seller may offer merchandise for sale direct from Asia. The Buyer must take delivery of the products and bear all risks of loss of or damage to the products from the time they've been rendered at the dispatching place. The Buyer shall issue a specific cargo insurance policy for any damage to the products from the time they've been rendered at the dispatching place; it is therefore the Buyer's obligation to submit claims for damages or shortages directly to their contracted carrier for any shipments. Seller is subrogated in the Buyer's rights towards his insurer. In the event that Seller procures insurance against the Buyer's risk of loss of or damage to the products during the carriage, the Buyer undertakes to (i) check the products on delivery (defects and/or shortages) and to (ii) immediately notify Seller of any transportation reserve.

10. **DELIVERY.** Delivery dates are approximate and shall be computed from the date of acceptance of the order by the Seller. Seller will deliver promptly on acceptance of each order. Seller will use its reasonable best efforts to fill all orders according to their terms. However, if any conditions arise which prevents compliance with the delivery schedule, Seller shall not be liable for damages, general, incidental, consequential, compensatory or otherwise, or for failure to give notice of any delay and Seller shall have such additional time within which to perform as may be reasonably necessary under the circumstances and shall have the right to apportion its production among its customers in such a manner as it considers equitable. Seller shall also have the right to deliver the goods in instalments including but not limited to, delivering from multiple origins.

11. **PRODUCT RETURNS.** Products in new condition (including but not limited to overstock, shelf worn or shelf damaged goods, or previously unsold obsolete goods) or defective goods may not be returned to Seller without prior written authorization and instructions properly issued by Seller. Seller shall not accept returned products except in accordance with such authorization and instructions. In the event of a rejection of any of the Products, risk of loss shall remain upon Buyer until the returned Products are accepted by Seller. Unless otherwise agreed, Seller will not bear any charges from the Buyer associated with the return, including transport costs, special handling fees or storage fees. Seller shall decide, at its exclusive option, if the products are to be replaced.

12. **RIGHT TO CANCEL.** Seller is under no obligation to grant Buyer's request to cancel or change quantities on previously submitted and accepted orders. If in its sole discretion, Seller allows Buyer to cancel all or a portion of an order and the work, delivery preparation, labelling or loading has already begun or is complete, Seller reserves the right to charge the Buyer restocking fees.

a. **Hold to Confirm Orders ("Booking Orders").** Seller will accept Booking Orders for mutual planning of future deliveries to Buyer. Booking orders may not be changed within 15 (fifteen) days of delivery, including but not limited to, changes to the quantity ordered or the mix of goods ordered. The requested delivery date on Booking Orders may not be changed. At no time may the value of the Booking Order be changed by virtue of quantity reductions, substitutions or item cancellation, so as to reduce the overall value more than 10% (ten percent) of the original submitted value.

b. **Manufactured to order cannot be cancelled or changed once the Buyer has confirmed the order.**

In addition to all other rights and remedies available to it, Seller reserves the right to cancel the order immediately by written notice to the Buyer in case of failure of the Buyer to perform or comply with any of the terms or conditions herein.

13. **PROPRIETARY GOODS.** Seller may agree at its sole discretion to produce or procure Special Make Up ("SMU") goods for Buyer. SMU goods may include but are not limited to a proprietary colour, carton markings, design or combination of multiple finished goods sold as a single selling unit. Buyer and Seller will collaboratively plan the lead-time production and sales forecast for the SMU items. Seller will produce or procure the forecasted quantities. Buyer agrees to purchase the total amount of SMU goods forecasted for the calendar year. If Buyer's orders have not consumed the forecast for the SMU items by December 1st of the given year, Buyer will immediately place an order for the balance to deliver from Seller by the end of the calendar year.

14. **SALE OF EXCESS OR OBSOLETE GOODS.** Seller may offer from time to time, close out purchases of excess, obsolete or discontinued goods ("E&O"). Orders for E&O goods are filled on a first come, first served basis. To secure the E&O goods, Buyer must submit a firm order before any other customer's order for the same goods.

15. **DIVERSION OF GOODS, LIMITATION ON RESALE.** Seller maintains sales relationships with a wide variety of retailers, wholesalers, discounters and distributors. Unless otherwise expressly agreed by Seller, Buyer agrees not to resell the goods on a whole-sale basis and understands that the goods may be specially coded to identify them as goods sold to Buyer. Should Buyer resell goods on a wholesale basis without being expressly authorized by Seller, Buyer shall pay damages to Seller in the amount equal to the difference between the price at which Buyer purchased the goods from Seller and the price which Seller could have received from the party to which Buyer sold the goods at wholesale, together with all reasonable attorneys' fees, costs of investigation and expenses expended by Seller to enforce this provision.

16. **INTERNET SALES.** With prior written approval from Seller, Buyer may use and display Seller's logos and trademarks ("Marks") in connection with the marketing, distribution and sale of goods online. Buyer acknowledges that all such Marks are the exclusive property of Seller. Any product descriptions or pictures ("Content") provided by Seller for use on Buyer's website(s) is the exclusive copyright protected property of Seller. Use of any of the Seller's Marks in any Uniform Resource Location ("URL"), domain name, trade name, or business name is prohibited without express prior written consent of Seller. Seller reserves the right not to establish new business relationships with Internet only Buyers that have no physical store locations and/or do not maintain an inventory of goods

17. **NO EXPORT OF GOODS.** Buyer agrees and represents that the goods sold hereunder are sold solely for use and consumption within Europe and are not for export outside of Europe, regardless of method of sale including Internet sales. Buyer further understands that Seller's consumer warranty is only valid for consumers in Europe unless Seller has explicitly stated otherwise in writing. Buyer is aware that the goods are not designed to comply with the requirements for sale in any other jurisdiction than the respective markets in which they are sold. If Seller is made aware, through any means, that Buyer is exporting goods purchased from Seller without the express written consent of Seller, Seller reserves the right to cancel all outstanding orders from Buyer and to refuse all future orders. If Seller has given its written authorization for Buyer to export the goods outside of Europe, Buyer shall comply with all export laws and regulations including, but not limited to, export licensing requirements, and Buyer shall be responsible for any goods' compliance or non-compliance with applicable laws in the country to which such goods are exported. Buyer agrees not to resell the goods to a country or person prohibited from engaging in commerce with the United States.

18. **PRESENCE ON SELLER'S PREMISES.** If Buyer's performance hereunder requires the presence of Buyer, its employees, agents or subcontractors upon Seller's premises, Buyer (and its employees, agents and subcontractors) shall comply with all relevant laws and with Seller's policies and internal procedures. Buyer shall also take such further precautions necessary or reasonable to prevent any personal injury or property damage from occurring as a result of the presence of Buyer, its employees, agents and/or subcontractors on Seller's premises. Any such precautions that Buyer takes which affect Seller's property or operations shall require Seller's prior consent. Buyer shall indemnify Seller for any and all damages, losses, costs and expenses, including attorneys' fees and expenses and costs of investigation, which Seller suffers or incurs in any way which result, in part or whole, from an act or omission of Buyer, its employees, agents or subcontractors. Buyer shall maintain such Commercial General Public Liability, Workers' Compensation and Employer's Liability Insurance as will protect Seller from any and all such liability. Buyer shall provide Seller with proof of coverage upon Seller's written request.

19. **NO AGENCY.** Nothing in the Agreement shall create or be deemed to create any relationship of agency, partnership or joint venture and Buyer will bear all of its expenses in connection herein. In this context, Buyer shall be solely responsible for the remuneration of its employees and for paying all expenses and outlays whatsoever of said employees, which are not connected in any way whatsoever with Seller. Buyer shall hold Seller harmless for any claim which would be directed against it by an employee at anytime during or after the Agreement.

This Agreement shall not have any authority to assume or create any obligation, express or implied, on behalf of Seller. Buyer shall not make quotations or write letters over the name of Seller but in every instance shall use its own name.

20. **INDEMNIFICATION.** Buyer shall indemnify, defend and hold Seller harmless from and against any and all claims, damages (including incidental and consequential damages), losses, costs and expenses (including reasonable attorneys' fees) which Seller may suffer or incur arising out of: (i) any breach of the terms and conditions herein by Buyer; (ii) any acts or omissions by Buyer, its employees, agents or subcontractors; (iii) any alteration(s) to the goods not authorized by Seller; (iv) Buyer's removal of or failure to include any and all instructions and warnings regarding the goods and provided by Seller; (v) Buyer's oral or written instructions or warnings inconsistent with those provided by Seller; (vi) goods that have been damaged by Buyer or those that have been damaged by a consumer and/or returned by a consumer after a retail sale; and/or (vii) Buyer's or Buyer's customer's failure to comply with all applicable laws, rules, regulations or ordinances.

21. **WARRANTIES.** Seller warrants: (i) that the goods delivered pursuant hereto are

manufactured in accordance with applicable laws and regulations; and (ii) that Buyer, upon full payment of the purchase price therefore, will receive title to the goods.

Seller may provide the retail purchaser of the goods with a consumer warranty, as set forth in the packaging or labelling of such goods. Seller MAKES NO OTHER WARRANTY, EITHER EXPRESS OR IMPLIED, WITH REGARD TO THE GOODS DELIVERED PURSUANT HERETO. SELLER EXPRESSLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE RESPONSIBLE TO BUYER OR TO ANY PARTY FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES. Seller's sole responsibility and Buyer's exclusive remedy for breach of this warranty shall be the offer of an update for or the repair or replacement of such products or, if neither of the foregoing is feasible in Seller's reasonable discretion, refund of the purchase price paid for such products. Except for Seller's limited warranty accompanying the products, this warranty and the remedies identified herein is in lieu of all warranties, terms or conditions, express or implied, either in fact or by operation of law, statutory or otherwise, including warranties, terms or conditions of merchantability, fitness for a particular purpose and satisfactory quality.

22. **EFFECTIVENESS.** Any term(s) or condition(s) set forth herein which is/are invalid or unenforceable shall be ineffective only to the extent of such invalidity or lack of enforceability and shall not render invalid or unenforceable the remaining terms and conditions.

23. **FORCE MAJEURE.** Seller shall not be considered in default hereunder or be liable for any failure to perform or delay in performing any provisions of this Agreement in the customary manner to the extent that such failure or delay shall be caused by an act of God; fire, explosions, hostilities or war (declared or undeclared); or striking or work stoppage involving its employees. Seller shall use every reasonable means to resume full performance of this Agreement as promptly as possible; it being understood that Seller shall be entitled to automatically cancel the order after a (3) three months period of suspension.

24. **LAW/DISPUTE RESOLUTION.** The rights and duties of the parties to this transaction shall be determined by the laws of the Seller's country without regard to conflict of law principles. Any and all disputes arising in connection with this transaction shall be decided by the relevant Courts in the Seller's country.

25. **CONFIDENTIALITY.** Buyer shall hold the terms and conditions of this Agreement, including but not limited to the pricing, offered discounts, other sales program specifics or selling and distribution practices or methodologies of Seller confidential for any and all purposes excepting those purposes necessary to the fulfillment hereof.

Data privacy protection. Buyer recognizes and agrees that Seller may collect, use, store and transfer personally and non-personally identifiable information that Buyer may voluntarily provide during the course of their business relationship. The Seller will do its best endeavors to adequately protect such information, in the conditions set forth under a Privacy Policy that the Buyer may consult on the website [www.coleman.eu](http://www.coleman.eu). The Privacy Policy outlines the information that Seller may collect and in which conditions the Seller may use that information.

26. **FAILURE TO ENFORCE AGREEMENT.** Failure by Seller at any time or from time to time to enforce or require strict observance and performance of any term or condition of this Agreement will not constitute a waiver of or affect such term or condition in any way, nor shall such failure affect the right of Seller to avail itself at any time of such remedies as it may have for any breach of such terms or conditions by Buyer.
